High concentration is placed on basic skills in a cooperative setting such as passing, receiving, shooting and heading (where appropriate.)

**"Strikers & Keepers
Natural Born Enemies"
Finishing Camp**

Monday, July 11th – Friday, July 15th

For one intense week, players will participate in aggressive offense, spectacular defense, and action packed goal saving. Guaranteed to develop that "killer instinct" in field players, "strikers" will learn transition play from defense to attack and vice versa, functional training and attacking patterns of play, crossing and finishing through box organization. Keepers will train not only on "saving" techniques, but on box organization, command and control of defensive players, and effective distribution methods (punting & throwing) once receiving the ball.
